Notes:
1. Building Construction Test Laboratory Pty Ltd (BCTL) shall not be liable for loss, cost, damages or expenses incurred by the client or any other person or company, resulting from the use of any information or interpretation given in this report. In no case shall BCTL be liable for consequential damages including, but not limited to, lost profit, damages for failure to meet deadlines and lost production arising from this report. This document shall not be reproduced except in full and relates only to the items tested.
2. This report only indicated the compliance of the formwork head in its state at the time of testing. It should not be taken as a statement that all similar formwork heads in all stated of repair, would also be found to comply.
3. It remains the responsibility of the client to ensure that the formwork heads as reported herein are representative of the entire production batch.
4. BCTL shall take no responsibility for the procurement and authenticity of the formwork heads as described herein.
5. BCTL shall take no responsibility for the installation procedures used for the formwork heads described herein.
